Dear Mike,

For several years now, your company has been handling all our Sport Utility vehicles arriving from the Alabama plant. Over that period of time, Mercedes-Benz has increased the number of models coming out of this plant, and you have continued to maintain your level of service for us. We value our relationship with Hansen's Forwarding, and we respect the dedication and professional approach of your employees. As we continue to grow, we look forward to having you as one of our transportation partners.

Sincerely,
